TURN THE TABLES MINNESOTA

Let's takeout together.

Support your local restaurants.

Restaurants are the heartbeat of our cities and towns across Minnesota. It's where we gather to celebrate our birthdays, our holidays, and meet up with our friends and our families for great food, great service, and it's where we create lasting memories.

With COVID-19 closing restaurant doors to a dine-in experience for now - we know you'll want to help to keep your special places, your neighborhood restaurants and cafés afloat, so that when they are able to welcome you back in to favorite table they'll be able to.

Here's how you can help:

1 Lookup which restaurants are doing takeout or curbside delivery.

If they're not on the listings, **be sure to give them a call,** and see if they're still open. They may not have added themselves to the we're still open resources.

go to restaurant lookup

2 Order from restaurants directly by calling or using their website

Did you know that when you order food from a delivery service, a big chunk of the profits restaurants would receive gets taken? Order directly from restaurants by phone, or online, and **give the 'delivery fee' you would've paid as a tip**! Putting money back into the pockets of restaurant workers is a great way to keep your favorite places open when things return to normal.

TIP #1: Purchase a restaurant gift card

Help restaurants get a quick flow of cash by purchasing a gift card.

TIP #2: Show some love and tip a little extra

Your little extra means a whole lot to those who prepare your food.

3 Share photos on social of your meal. Use the hashtag #turnthetablesmn

Sharing photos of the meals you ordered for takeout on social helps give this program momentum. It gets the word out to your social network and gives a rallying cry to help Minnesota's restaurants stay afloat.

And, it's so easy to do:

1. Get out your smartphone, take a photo or two of your meal.
2. Hop on to Facebook or Instagram, and upload your photo with the restaurant's name and location, **and be sure to use the hashtag** #turnthetablesmn

---that's it!

See what everybody's taking out #turnthetablesmn

TURN THE TABLES
MINNESOTA

Restaurant Listings

Who is doing takeout & delivery

It's inspiring to see our Minnesota media community coming together to support our local restaurants. We're thankful that they've put together easy-to-use maps, and comprehensive listings of the restaurants we all love so that together, we can all help to support their amazing chefs, servers and kitchen staff.

Listings in **ORANGE** allow restaurants to add to their maps or listings right from that site online.
